

Prayer Points:

DREAMS & VISIONS:

– God would speak to individuals through dreams and visions as so that their hearts are prepared and receptive to the Gospel.

GOSPEL LITERATURE:

– Literature presenting the Truth of Jesus in the heart language and in a way that can be understood would become available to every one of the 854 Least-Reached Peoples in Central Asia.

HEALING FROM PHYSICAL & EMOTIONAL ILLNESSES:

– That God would confirm His Word with signs and wonders following, delivering seekers from addictions, depression and emotional and physical sicknesses as a demonstration that Jesus is the Way, the Truth and the Life.

GOD OF ALL PEOPLES:

– For God to change the idea that to become a Christian means I lose my cultural identity and to reveal that He has come to us as Emmanuel, God with Us, so that He even speaks our language and answers our hearts' cries.

PRAYER EVANGELISM:

– That God draws every new believer into intimate relationship with Himself, teaching them to pray and intercede for the others around them who do not yet know Him, that they also come to know Jesus.

CENTRAL ASIA

REACH OUT!

Overview:

Trade and Islam beat a path through the Silk Roads of the 11 countries of Central Asia, much of which could not be changed by 70 years of Soviet rule. Most of the languages here have been Turkish-based since the early days of Turkey's Ottoman Empire. Most other languages in this region are based on Farsi, the tongue of Persia, Central Asia's other traditional world power. All but three of the countries in this region have over 90% of their population living in people groups that are considered least-reached, with Pakistan by far the largest—175 million people within 374 people groups still least-reached in this country alone. Over 750 people groups remain with less than 2% evangelical believers and less than 5% adherents to any form of Christianity. The marginally Muslim peoples of the Turkish World are looking for a new identity. Will they make their identity in Christ, or in something much lower?
