**Koorl, Hindus in India**

The Koorl people live on the mountainsides of South India. They are one of the least known of all India's peoples. They have the culture of a Hindu people, but their beliefs are far from the caste, Hindu and religious concerns. The majority of the Koorl are engaged in their traditional occupation of agriculture.

**Religious Orientation:** Unreached Christian, whether in India or in the West, may have experienced the Koorl's conversion of what it means to be a follower of Christ.

**Unreached Status:** The Koorl community is in need of prayer and opportunity to know and follow Jesus Christ.

**Pray for the Unreached of Christ:** Pray for the Christian witnesses among the Koorl community, that they will have a strong and lasting testimony for the Lord, and will know Him with their hearts.

**Pray for the entire people group:** Pray the Koorl community will increasingly hunger to know the Gospel for their own and the love of others through faith in Jesus Christ.

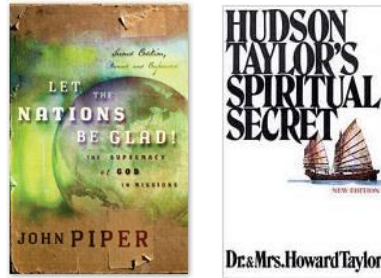

**Unreached People:** They will have compassion on the poor and needy, and the heart of the needy, they will love. (Psalm 112:9)
