Challenges

- Christianity (all kinds) is growing at 1.2% per year, but Islam is growing at 1.9% and thus faster than general Christianity. The positive news is that Evangelical Christianity is growing at 2.6% and thus faster than Islam. (*Operation World 2010*)
- Almost 90% of all cross-cultural missionaries labor among nominally Christian people groups, only 10% among unreached peoples.
- 81% of all Muslims, Buddhists and Hindu do not personally know a Christ-follower. (*World Christian Encyclopedia*)
- Out of every dollar of Christian giving to all causes less than one penny goes toward pioneer church planting among unreached peoples.
- While Christians of all types make up about 1/3 of the world's population, the absolute number of non-Christians is increasing.
- An estimated 95% of pastors worldwide have had no formal training. 1,000 new pastors a day are needed to keep up with new church plants.
