Mission Trends and Facts

3. Shift of Christianity to Global South

Year	% Evangelicals in Europe and North America	% Evangelicals in Global South
1800	99%	1%
1900	90%	10%
1979	50%	50%
2018	23%	77%

The "center" of Christianity has moved out of Europe and North America and now rests in Asia, Africa and Latin America.

2. Improving Career N. Amer Missionaries

Between 1985 and 2005 the number of career (4+ years) North American missionaries sent out was fairly stagnant. But since 2005 there has been a significant increase.

4. Foreign Missions Resource Allocation

Category	% of Foreign Missions Giving
Giving to Foreign Missions for work among already Christian groups	87%
Giving to Foreign Missions for work among people that live within reach of the Gospel but haven't responded	12%
Giving to Foreign Missions for work among unreached people groups.	1%

5. The Challenge of the Unreached

81% of the world's Hindu, Muslims, and Buddhists do not personally know a Christian.
